Please don't check in if you're sick

Call or email your site contact

Seek medical care early

Protect yourself at this site

Wash hands frequently

Wash your hands regularly with soap and water to kill viruses that may be on your hands.

Use hand sanitiser

If your hands are not visibly dirty, frequently clean them by using alcohol based hand rub.

Avoid touching eyes, nose, and mouth

Hands touch many surfaces and can pick up viruses. Avoid touching your eyes, nose, and mouth where possible.

Respiratory hygiene

Cover your mouth and nose when you cough or sneeze. Dispose of the used tissue immediately.

Maintain social distancing

Keep at least one metre between yourself and anyone who is coughing or sneezing to keep yourself safe.
